FIG.4

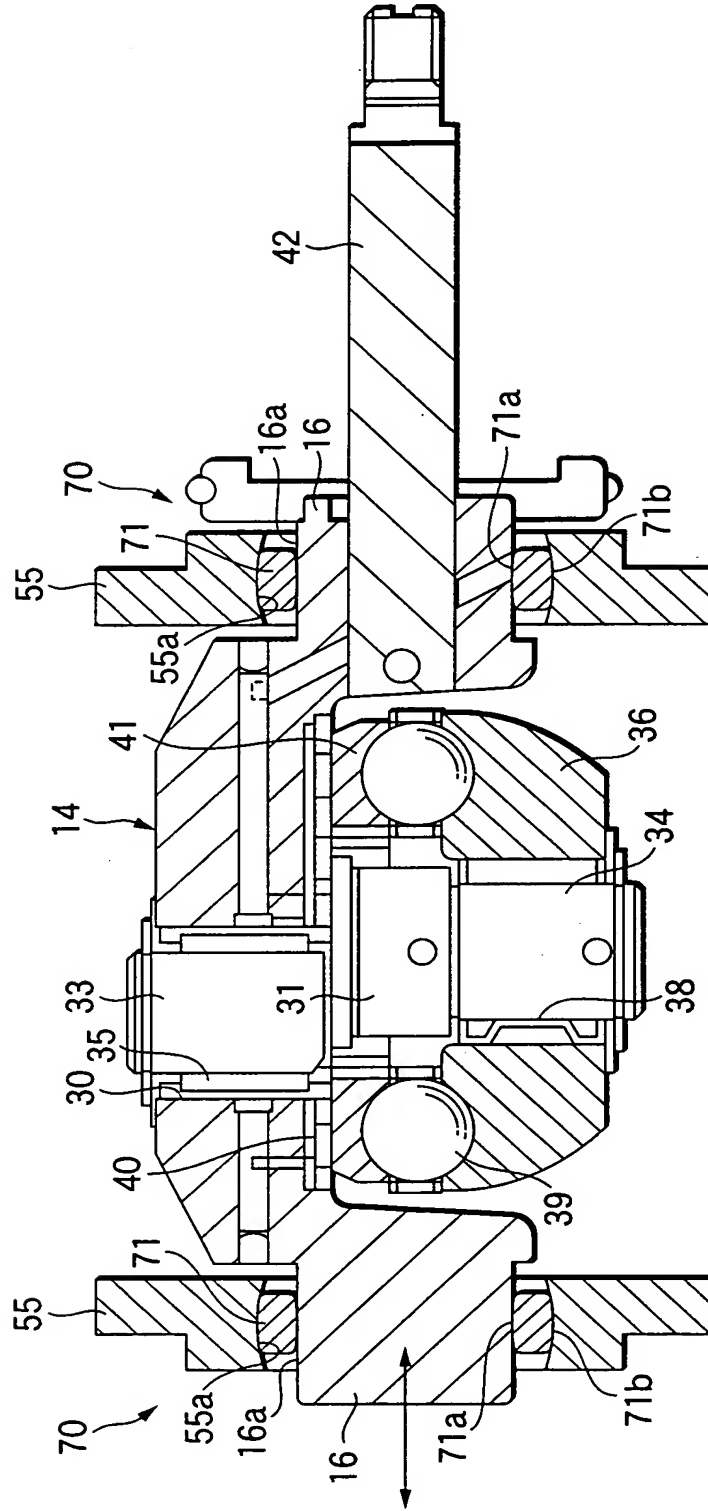

This cross-sectional view shows a mechanical assembly. A component labeled 1 is shown in the upper left, with a sloped surface. Below it, a large block labeled 51 is visible. A vertical shaft or rod labeled 14 passes through the center of the assembly. To the right of the shaft, a component labeled 16 is shown. Further right, a component labeled 73 is visible, which appears to be a bearing or a similar mechanical part. A component labeled 74 is shown to the right of 73. A component labeled 18 is shown at the top right, which appears to be a cap or a cover. The assembly is shown in a cross-sectional view, with hatching used to indicate different materials or sections.
